LETTER FILING SUBSTITUTE DECLARATION

Sir:

Applicant filed a Declaration signed by the inventor with the originally filed patent application documents. The Declaration which was filed did not list Japanese Application No. 2002-236728 filed July 10, 2002 for which priority is not claimed. The enclosed Substitute Declaration signed by the inventor list Japanese Application No. 2002-236728 filed July 10, 2002 but does not claim priority. A new Application Data Sheet is not required because the aforesaid

Japanese Application 2002-236728 filed July 10, 2002 was listed on the Application Data Sheet originally filed with this application.

Since this is a Substitute Declaration there is no Patent Office charge for filing.

Respectfully submitted,

Jordan and Hamburg LLP
